

INAUGURATION OF NEW FACTORY IN YINGTAN, JIANGXI PROVINCE

A new FOCI manufacturing plant was inaugurated in Yingtan, Jiangxi province. This is a new milestone for FOCI to grow our business and most importantly signal a new era of change and commitment. This plant consists of one main building (administration and manufacturing plant), one warehouse building and one hall of residence for workers. This gives FOCI a better capacity than before. It enables FOCI to reduce the manufacturing cost and improve the overall customer satisfaction. For more information, please visit www.FOCI.com.tw
